- ★ White bezel standard. Chrome or black optional.

Shown in standard chrome finish

SPECTRA SURFACE MOUNT LAMPHEAD

- ★ Surface mount instead of recessed mount makes it easier and faster to install. No panel cut-out is needed.
- ★ Slim body design depth of only 1.8" keeps lamphead closer to vehicle.
- ★ 15,000 lumens – 12/24 VDC, 13/6.5 amps.
- ★ Chrome bezel standard. White or black optional.

UNIQUE SPECTRA FLOOD / SPOT LIGHT PATTERN IS PERFECT FOR FIREFIGHTING

Three rows of LEDs with the top and bottom rows designed as flood light to light up the work area. The middle row has focused spot LEDs to provide long distance illumination.

Spectra unique lens design provides a smooth and uniform flood and spot combination bringing firefighters the widest light pattern for improved work area visibility as well as illuminating objects at a farther distance.

Dimensions:

Pole mount : 14.0" w x 5.375" h x 3.5" d

Surface mount : 14.5" w x 5.875" h x 1.8" d

To order: Indicate series SPA for SPECTRA; the mount type; and lamphead type.
(-Q15 = 15,000 lumens or -Q20 = 20,000 lumens)
